

Well you done done me you bet I felt it.

I tried to be chill but you're so hot that I melted.

I fell right through the cracks, and now I'm trying to get back.

Before the cool done run out, I'll be giving it my bestest.

And nothing gonna stop me but **divine intervention**.

I **reckon** it's again my turn. To win some or learn some.

But I won't hesitate. No more, no more.

It cannot wait.

I'm yours.

Well, open up your mind and see like me.

Open up your plans and damn you're free.

Look into your heart and you'll find love, love, love, love.

Listen to the music of the moment.

People dance and sing.

We're just one big family.

And it's our **godforsaken** right to be love, love ,love ,love.

So, I won't hesitate.

No more, no more.

It cannot wait I'm sure.

There's no need to complicate.

Our time is sure.

This is our fate I'm yours.

D-d-do you, do you, d-do you wanna come over here?

Scooch on over closer dear, and I will nibble your ear.

Whoa, whoa ,haha, mm.

I've been spending way too long checking my tongue in the mirror.

And **bending** over backwards just to try to see it clearer.

But my breath fogged up the glass.

So I drew a new face and I laughed.

I guess what I be saying is there ain't no better reasons.

To **rid** yourself of **vanities** and just go with the seasons.

It's what we aim to do.

Our name is our virtue.

But I won't hesitate.

No more, no more.

It cannot wait I'm yours.

Well, open up your mind and see like me.

Open up your plans and damn you're free.

A look into your heart and you'll find it.

The sky is yours.

So please don't, please don't. Please don't.

There's no need to complicate.

Cause our time is sure.

This, this, this is our fate.

I'm yours~~~~~Ahhhhh
