Reportedly, 80 percent of ocean plastic is coming from those countries that have extreme poverty. And if you live in the grips of poverty concerned, always, about food or shelter or a sense of security, recycling—it's beyond your realm of imagination.

據報導，海洋塑膠有 80% 是來自極度貧窮的那些國家。如果你的生活十分貧窮，總是要擔心食物、避風遮雨的地方或安全感，那麼回收完全在你想像之外。
