The only dating advice you will ever need is to just be yourself. Because that way if someone falls in love with you, they're falling in love with you. And not this idea that you've presented. It's a lot of work to maintain an idea over a long period of time. It's quite easy to keep being yourself.

你唯一會需要的約會建議，就是做你自己。因為這樣一來，如果某人愛上你了，愛上的就會是你本人，而非你呈現出來的形象。要長期保持形象是一件相當費神的事，做自己卻很簡單。
