Their days were meticulously mapped out, and any free time they had was devoted to honoring their Great Leader. Lesson plans had to meet the approval of North Korean staff, every class was recorded and reported on, every room was bugged, and every conversation, overheard.

他們的日程都被精心安排，那些僅有的自由活動時間也都用在敬仰偉大領袖上。課程安排必須經過北韓官員的批准，每堂課都有被記錄、再彙報，每個房間都裝了竊聽器，每個對話，都會被聽見。
